To Whom It May Concern:

I have known Mr. Steve Willett of Eagle Financial Services for almost 16 years in the financial industry. I have and will continue to entrust my clients to his knowledge, wisdom, and expertise in the financial sector, investment property industry, and for credit rehabilitation. Mr. Willett has his hands on the pulse of what is transpiring in the financial markets and how it can affect our clients' financial portfolios, thus, his approach to assisting clients is very calculated and is very relevant.

I respect and admire Mr. Willett because of his honest and his genuine exchange of information and the way he takes care of our mutual clients. I have no hesitation of referring him to my fellow colleagues in order to assist their clients' with various mortgage and/or business endeavors. He has proven and is a valued business partner and friend. I would without hesitation place any clients and/or prospects in Mr. Willett's care and know that he is vested in their financial well-beings and in their achieving financial success.

I appreciate the time allowed to elaborate on my partnership with Mr. Willett. Please, do not hesitate to contact me for additional commendation.

Sincerely,
